Item Description

Hi I'm selling my sons old Nintendo games, he died in the Iraq war a few years ago and I have finally diced to let some of his things go.

The game list includes:

All Pro Basketball

Anticipation

Archon

Bases Loaded

Batman

Bo Jackson Baseball

Burgertime

Cobra Command

Dr Jekyll and Mr Hyde

Junior Edition Jeopardy

Lee Trevino's Fighting Golf

Major League Baseball

Mickey Mousecapade

MTV Remote Control

Pinbot

Play Action Football

Renegade

Stealth ATF

The Hunt for Red October

Top Gun the Second Mission

Total Recall

Wheel of Fortune

World Championships 1990

Yoshi

All the games should work fine, I would keep them for my 8 year old daughter but the Nintendo system itself doesn't work any more and I threw it out.

I think a dollar for each game is a fare price so I'm starting the bidding at \$24. I hope whoever buys the games will enjoy them as much as my son did!
